## Comprehensive Violation Statement

Pursuant to 6501 of the Education law, The Office of Professional Discipline (OPD) must investigate all complaints of professional misconduct to determine if there is a violation of law or regulation. The New York State Education Department is not a prosecutorial agency and must rely solely on specific written complaints. You may address any issues dealing with Permit, License or employment matters as it relates to our license or permit laws.

We understand you may be reluctant to report violations. As such, we have revised this form to allow anonymity in the event of possible repercussions by those that are reported.

NYSSO will compile all anonymous reports and submit under the NYSSO banner.
